Mr. Vasbinder,

On October 2, 2012, a representative of the U. S. Environmental Protection Agency (EPA) inspected your facility. The inspection was conducted under the authority of Section 114 of the Clean Air Act (CAA). A copy of the inspection report is attached for your information (without attachments).

EPA is presently reviewing the findings of the report to determine your facility's compliance with the applicable statutes, permits, and/or regulations. If it is determined that violations exist, EPA reserves all rights it may have to take appropriate enforcement action.

If there are any questions regarding this report or actions that you may want to take, please contact me at (913) 551-7533. You may also contact me if you wish to receive the report
